

# ULTIMATE BORDER™

Waterline Protection.

ALWAYS A  
**BEAUTIFUL**  
WATERLINE

SUPERIOR QUALITY  
EASY TO CLEAN  
ANTI STAIN  
BEST SCRATCH RESISTANCE  
ULTIMATE CHLORINE RESISTANCE

**ULTIMATE BORDER™**  
is the ultimate solution for your waterline.

**FOREVER.**

**ULTIMATE BORDER™** is the perfect solution for an unsightly waterline, one of the biggest maintenance problems in your pool.

Although chemical levels in your pool can be easily controlled with the proper equipment, you can't control the quality of sunscreens and cosmetics of your guests. You also can't control contamination from the air, all of which result in dirt on the surface of the water and stains along the waterline. Under the action of the sun, these stains are extremely difficult to remove.

## WORLD'S BEST WATERLINE PROTECTION

**ULTIMATE BORDER™** has a patented shield on its surface to protect against all kinds of aggression on the waterline: sun creams, cosmetics, chemicals, dirt.

## RENOVATION AND NEW PROJECTS

**ULTIMATE BORDER™** is welded on the top of a reinforced membrane installed in the pool. It can be used for renovation projects if the old reinforced membrane is suitable or for new pool construction.

## SAVE MONEY

You don't need costly manpower working hours every day, and using expensive and aggressive chemicals to maintain a beautiful waterline. Make it easy!

## EASY TO CLEAN

**ULTIMATE BORDER™** prevents surface penetration from chemicals and organic and non organic elements. This makes cleaning extremely easy, removing immediately all kind of stains.

## PRIVATE AND COMMERCIAL POOLS

The waterline is the first thing your guests see when they are looking at your swimming pool. With **ULTIMATE BORDER™** your waterline is always beautiful.
