

EC-CERTIFICATE OF CONFORMITY

1071- CPD - 1142

In compliance with the Directive 89/106/EEC of the Council of European Communities of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to the Construction Products Directive (CPD), amended by the Directive 93/68/EEC of the Council of European Communities of 22 July 1993, it has been stated that the construction product

PROTAN SE, EX and EXG

(Protan SE, EX and EXG are roofing membranes made of pliable PVC with a core of woven polyester, and satisfies the requirements of roofing membranes on flat and sloping roofs)

placed on the market by

Protan AS

Postboks 420

3002 Drammen, Norway

and produced in the factory(ies)

Protan AS

Drammen

is submitted by the manufacturer to a factory production control and to the further testing of samples taken at the factory in accordance with a prescribed test plan and that the notified body No. 1071 - SINTEF Building and Infrastructure - has performed the initial type-testing for the relevant characteristics of the product, the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control. (System 1).

This certificate attests that all provisions that all provisions concerning the attestation of conformity and the performances described in the *Annex ZA* of the standard

EN 13956:2005

were applied and that the product fulfils all the prescribed requirements.

This certificate was first issued on 22.11.2005, revised 08.12.2010, and remains valid as long as the conditions laid down in the harmonised technical specification in reference or the manufacturing conditions in the factory or the FPC itself are not modified significantly and latest on 01.01.2016.
